

PRESS RELEASE – FOR IMMEDIATE RELEASE

Alberto Morandi new General Manager of GustoMSC's Houston office

Schiedam, The Netherlands – January 05, 2017 – GustoMSC announces the appointment of Alberto Morandi to the position of General Manager of GustoMSC's office in Houston. He will be responsible for running the office and will act as point of contact for GustoMSC's US clients offering them the wide variety of GustoMSC services.

GustoMSC's US office represents the company's design solutions, associated hardware and specialist consultancy & engineering services in the local markets of the US and the Americas. *"We are very fortunate to have Alberto join us as with his valuable expertise and experience we continue to strengthen our position in offering services to our important US client base"*, says Nils van Nood, CEO of GustoMSC.

With this appointment, GustoMSC aims to further ensure close working relations with its local clients and to facilitate easy access to the technical expertise of its headquarters in the Netherlands.

Dr. Morandi had been with Global Maritime for over 18 years where he held a number of senior managerial and technical positions in Houston, London and Rio de Janeiro. He has a PhD from the University of Glasgow in reliability of marine structures and an MSc in naval architecture from the University of São Paulo and is also a Chartered Engineer in the UK and a Professional Engineer in the state of Texas, contributing to technical committees and developing international standards and industry practices.

About GustoMSC

GustoMSC is an independent and leading design and engineering company, thanks to the vast knowledge and expertise of its dedicated professionals and close working relationships with the most influential players in the offshore energy markets. GustoMSC serves the offshore industry by providing the best-in-class solutions for mobile offshore units.
